Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 11 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy at times today. Sunny and warm for the weekend.

Today:
A cloudy day with the odd spot of rain in the north and west of the region during the morning. Remaining dry elsewhere. Cloud will break up for the afternoon to give sunny spells. Maximum temperature 22 deg C (72 deg F).

Tonight:
Dry through the evening with any cloud clearing away. It then remains dry overnight, with frequent long clear spells throughout. Minimum temperature 11 deg C (52 deg F).

Saturday:
A warm and sunny day across the West Midlands with, perhaps, a little fair weather cloud bubbling up by late morning. Light winds. Maximum temperature 25 deg C (77 deg F).

Outlook for Sunday to Tuesday:
Very warm and sunny on Sunday. Warm and sunny on Monday, but some cloud later on. Another fine day on Tuesday.
